President's Report

It is always interesting to hear from the attendees of Camp Awakening. This year we had the privilege of having Aisha Hayes and Gabby Corbett share their experiences at this year's camp. It is encouraging to know that the attendees are getting great life experiences and there are sessions where these young people are comfortable enough to open up with often stories of having gone through "rough times". Not everyone comes from a good home life. The sessions take them out of their comfort zone in an encouraging way with no threat of failure. The confidence that these young people gain, which is ably demonstrated by their presentation to our Club, makes our support of the program a good investment.

Good to see David Gamble back at the meeting after his recent operation. Well done David in walking to the hall and walking home. Always a challenge getting across the Warburton Highway.

Thanks for all that helped with the Bar.

Sergeant Les raised \$61.00 this week

The key outcomes from the monthly Board meeting held on the 9th September are attached.

The speaker for next week's meeting is still to be finalised.

The meeting on September 24th will be a "Club Forum". Should you have any agenda items for the forum, please send them to Brian or myself.

It is important that if you are unable to be at any meeting, please let Tony know by 6.00pm on Wednesday.

July 8, 2015 Board Meeting – Key Outcomes

- 1 There was a slight amendment to the Budget for Club Administration. The cost of Rotary Down Under has increase from \$34 to \$40 per member per year. This was approved.
2. The Fundraising Budget which included input from last week's Committee meetings was presented to the Board and approved with the understanding that it will be reviewed in 6 months.
3. Our changeover meeting was discussed and there was general agreement that the format of a Luncheon at a venue that is not impacted the weather conditions works well.
4. The Bunning's sausage sizzle has deemed to be a success, not only for \$1,700 raised but the intangible benefits that were achieved. We will be in discussion with Bunning's for another opportunity, but not too soon!
- 5 Our Attendance Officer would appreciate your consideration. Remember that if you are unable to be at the next meeting, please advise Tony by 6pm the Wednesday afternoon prior, otherwise you will be charged the full cost of the missed meal as we will have already paid the caterer.**
6. Alf Ladson was reinstated as an honorary member.

CLUB FORUM.

If you have any matter that YOU may wish to raise, please let Ray or Brian know prior to the 24th September so as they can do any research that may be necessary to facilitate a reply.

There are 3 kinds of men in this world.
Some remain single and make wonders happen.
Some have girlfriends and see wonders happen.
Rest get married and wonder what happened....

Wives are magicians.....
They can change anything into an argument.

Women live a Better, Longer & Peaceful Life, as compared to men.

WHY?
