## *President's Report*

It was unfortunate that our speaker cancelled at the last minute. Instead we had an impromptu Club forum.

The Beer and Cider Festival project and the Wandin Custom Car and bike show were discussed.

It was decided to form a sub-committee to meet with Sindy Vitale to pursue our involvement.

The date for the International Committee film night as a fund raising activity for the Interplast project has been changed to Wednesday 2nd March. By now you will have received all the information about the night. All it needs now is for you to get behind the event and sell the tickets. It needs all members to sell 8 tickets and it will be a success.

As mentioned at the meeting the Inner Wheel Club of Wandin has asked for our support in running their sausage sizzle at Woori Yallock on February 27<sup>th</sup>. At this stage Russell and I will be looking after it, but we can do with a bit of help. If anyone is available for a couple of hours in the morning please contact me.

Reminder, Board Meeting 7:30 Wednesday 10<sup>th</sup> February at CWA Hall

This week there will be a presentation by Jeanine Jones from "Safe Futures Foundation" talk on "Domestic Violence against Women". This will be a partner's night and Tony needs numbers asap.

The following week, 18<sup>th</sup> February will be the Responsible Serving of Alcohol (RSA) training, members and partners need to attend in preparation for the Beer and Cider Festival. It is part of the licensing requirements that we have completed the course. It will start at 6:00pm and conclude at about 9:30pm.

There will be a buffet meal served at a suitable time during the evening. The only cost will be the usual meal cost. We may invite some external members from the community who will pay \$40 plus the cost of their meal. Please advise Tony asap of your and/or partner's planned attendance.

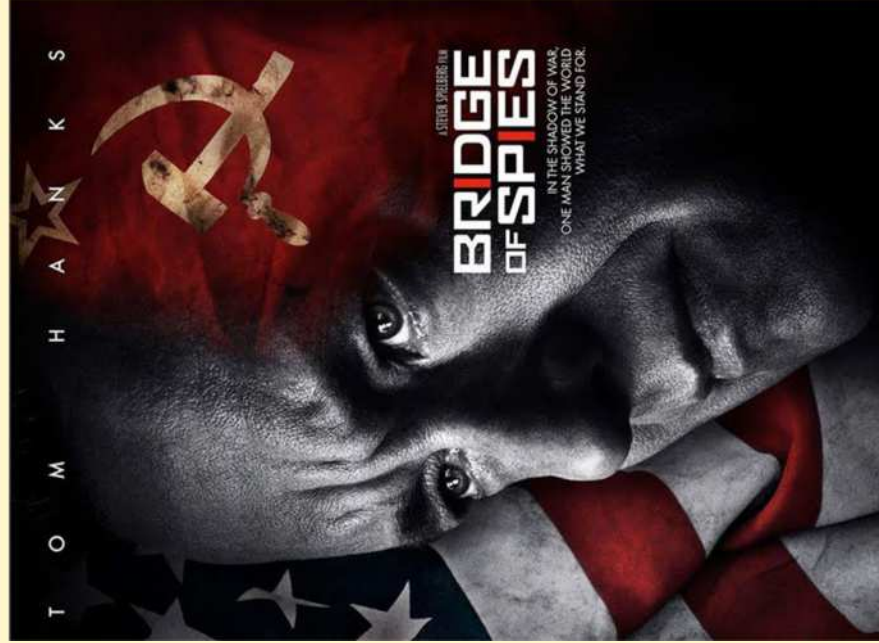

Thanks to Sergeant who raised a total of \$101.

*Ray.*

Three men awaited execution by firing squad in the condemned cell, from which the site of their forthcoming ordeal could be clearly seen.

The first, an Englishman, was taken out and stood against the wall.

As the firing squad raised their rifles, he suddenly shouted "Avalanche!" at the top of his voice.

The soldiers looked about in alarm, threw down their rifles and turned to run.

Taking advantage of the momentary chaos, the Englishman scuttled away as fast as his legs would carry him and escaped.

The second condemned man, a Scot, seeing the success of this ploy, when his turn came shouted "Flood!", with exactly the same highly successful effect, and off he scampered.

The third man, an Irishman, impressed by the initiative of his colleagues, determined to follow suit.

As the rifles were raised and fingers curled around the triggers, he shouted "Fire'.....

A Pommy bloke calls at Australia House  
in London to get a visa to visit family  
in Australia.

Bloke behind the counter asks "Do you have a  
criminal record ?

Pommy bloke sighs and asks, " Is that STILL a  
requirement.....? "

***Rotary ride for research -  
million dollar milestone ride.***

We are in need of your help !

As this is a very special milestone ride so we are asking if you could assist us and email the above information to all your club members, with the request that they email it on to their family, friends and work colleagues.

This year's ride has only 36 registrations to date, we are hope full of 70, so we are a little short with only 6 weeks to go.

**With you help we can make this the  
biggest ride yet.**
