## *President's Report*

Last week's meeting was brief, with the basic business and dinner at the Senior Citizen hall before heading to the Committee chairman's home for the working part of the meeting. Clive confirmed that he would like to have \$1,500 from last year's Sergeants' fine donated to the "EACH" organisation. You may remember that Michelle Egan from EACH presented to the club last September.

The sergeant extracted a total of \$127.30, well done Gavan. On Sunday we had the sausage sizzle at Bunning's Bayswater. The morning started off very cold then after a while our "in house" weather forecaster, Greg, consulted the radar and predicted rain within the hour. He has not totally correct....there was rain wind and almost snow!!!! The weather was bleak, the fellowship was warm and the stories were almost factual.

The story that is totally factual is a great team effort, 16 of our 29 members helped on the day. We promoted Rotary and the Wandin Rotary Club, supported Yarra Valley suppliers; most of the products were purchased in our general area. Along the way we raised about \$1,700 to go towards the Club funded projects. Just another successful day by a Club that is well respected for getting things done. Well done.

Our first Board meeting will be on Wednesday 8<sup>th</sup> July 7.30 at CWA hall.

This week's meeting will see the Committee Chairman reporting to the Club on their planned activities for this year. This information, will form the basis for the Club's overall Workplan.

*The Sausage Sizzle*

*OMG it was cold*

Look what happens when we cut down  
too many trees.

Global warming is one thing, but see  
below what is happening as we continue  
to clear our forests!

We must curtail our logging!

This is getting serious!
