## *President's Report*

Congratulations to all committees for not only the reports that the Chainmen delivered at the meeting, but for all thought and planning that went behind the reports.

Based on what is planned by all the committees we will have a very busy year and I am sure that it will be most rewarding. The International committee's focus on the fundraising for the Interplast project will make a big impact on the target. We will explore all opportunities to secure Rotary grants to assist with our objective. Youth committee have taken an objective reviewed of the "normal" projects we support and looked at where we can make the biggest contribution. RYDA is a new program that will be endorsed by the Club. Based on our desire to make a difference to the youth in our local community we will be working with local organisations to at research how we can help the homeless and drug affected youth in the Yarra Valley. The Club has already submitted an application for a District grant. Community committee are taking a slightly different approach to some of the normal projects whilst raising funds for our projects and whilst we will be better promoting Wandin Rotary to wider audience we are still delivering to the local community. Efforts to progress the Silvan War Memorial project are being hampered by the local Council. The possibility of running an Antique Fair is also being investigated. Vocational Committee have can up with the most impressive list of visits I have seen from the committee. Well done.

All committees have indicated their full support for the planned "Cider and Beer" festival and there is also our opportunity with the Yarra Valley Football League finals.

We will have the pleasure of our District Governor, David Tolstrup and Alison at our meeting next week for their official visit. Also, Ann Wheeler, our Assistant will be joining us for the meeting.

This will be a partners night so PLEASE let Tony know if your partner will be attending next week.

The sergeant extracted a total of \$82.30, the way Gavan is going we may be pleased to see Les return!!! - **Ray**

## THANKS

Hi, PP Warwick and President Ray  
and RC Wandin,

Pete and I had a lovely afternoon at your recent changeover. It was such an honour to be there with you and share the fun. I have been very lucky to be your Assistant Governor for the last two years and it has been an absolute pleasure to work with you all. Please pass on my thanks to your members, as some were absent at the celebration. You are a great club and I'll look forward to catching up on your news on the grapevine and through the District newsletter.

Kind Regards
