**Thought of the Week**

**The human brain is amazing.  
 It functions 24/7 from the day we're born & only stops when we're taking a test or speaking to someone who is attractive.**

## *President's Report*

Last week we had a night out at the movies. The movie was excellent and whilst the attendance wasn't quite at capacity everyone had a most enjoyable evening. Like any event, it doesn't just happen. Brian and his team as well as everyone that contributed, well done and Interplast will be grateful for your contribution.

There will be a Board meeting on Wednesday 9<sup>th</sup> March  
7.30 CWA Hall

Next Wednesday (16<sup>th</sup>) at the Wandin Car show we will be handing out flyers for the Beer & Cider festival. This will be a great opportunity to further expose our event to a different group. We will need help, so please check your diaries and let me know your availability at the meeting on Thursday.

This week we will be handing over the donations to the CFA from the proceeds of the Xmas Raffle.

There will be a number of our members heading off to the District Conference and as such there will be no formal meeting on the 17th March. In the past a number of members have decided to have an "informal" meeting at a local restaurant, please give that some consideration.

 **Buy Tickets**

We use the secure service of [trybooking.com](http://trybooking.com)

Mark Southall and I have put up six of these banners on council poles

I would appreciate some help in moving them. Each site is booked for a week or two (council limitations) and the banners need to be taken down on a Monday and re-erected on Tuesday. I have a spread sheet showing all times and locations. I need 4 people to take responsibility for one banner each for 7 weeks.

Please email me or call me on 0419 397 650

Brian Hodgson.

## **BRIDGE OF SPIES**

On behalf of the International Committee I would like to thank all those who helped on the night. The supper provided was magnificent and the work of partners in preparing and serving the food to our guests was really appreciated.

We have received about \$4600 from ticket sales and donations to date – it is a pity the remaining 80 tickets weren't sold.

There were about 40 people who bought tickets and didn't attend. If one of your friends wasn't there please follow up in case they did not get the change of date and show up tonight!

I have 20 theatre tickets to raffle at our next two meetings in two sets of 10 also. \$2 a ticket, 6 for \$5, \$120 value. Bring some small change.

## *Some Philosophical Challenges*

**Coconuts have hair and produce milk.  
Why aren't they classed as mammals?**

**Why do meteors  
always land in  
craters?**

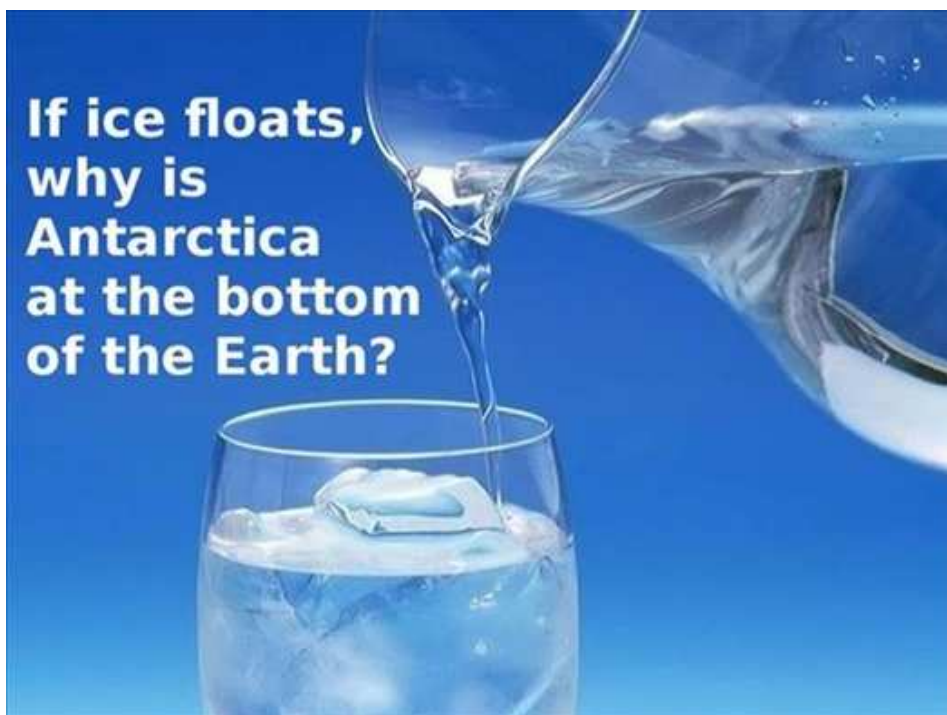

**Could another  
cold war stop  
global warming?**

why is
