THIS WEEK

**Dorice from the school of St Jude in Tanzania
PARTNER'S NIGHT**

Thought of the Week

Camping :
Where you spend a small fortune,
to live like a homeless person.

President's Report

.Last week, for those that were not going to the Conference, Les organised a social night at the Chinese Restaurant in Wandin. It was well attended and everyone seemed to have an enjoyable evening, we were certainly the loudest group. Thanks Les for organising the night.

Thanks for those that attended the Wandin Car show and handed out flyers for the Beer & Cider festival. This was a great opportunity to further expose our event to a different group. Great effort, it looks like about 400 flyers were distributed.

The first working bee for the Silvan War memorial will be next Wednesday 23rd on site between 9am and 3 pm. We will be erecting temporary fencing, digging the footing pad by hand to avoid damaging any services, placing Reo and pouring concrete. We will also levelling the site, Gavan will bring a Bobcat and tipper for this. Please call Gavan on 0409343947 if you can help, just an hour or two will help.

On the 24th March our speaker will be Dorice from the school of St Jude in Tanzania. Please see their website <http://www.schoolofstjude.org/about-us/our-history.html> for more information.

It should be a very interesting presentation and will be a partner's night.

Please advise Tony well in advance if you will be accompanied by your partner.

Rotary
District 9810 Conference
18th to the 20th March 2016 at Shepparton

The theme of the Conference was:

Power of the Past
Force of the future

We (David, John, Clive, Warwick and I) all headed off Friday morning for the Conference, through storms and detours, arriving around 11:30am in Shepparton. After registration we had lunch and went for our first session. We listened to key note speakers relate their life experiences in relation to the theme of the conference.

Saturday night was the Gala Dinner.

The theme was “My Favorite Television Show” and we went as the “Young Doctors”. To me this was as important as the key note speakers, it gave me a chance to meet other Rotarians in a more social atmosphere.

Sunday we found out that the DGN for 2017-18 is Malcolm Chiverton, and had the handing over of the District Conference Banner to the next committee. The Conference for 2017 will be held in Geelong 31st March to 2nd April.

The theme will be:

Building Connections
Realising Dreams

I encourage all members to consider attending the Conference as it gives you an opportunity to catch-up, meet and share with other Rotarians.

HELP NEEDED TO PUT UP BANNERS

We have the use of Shire Banner Poles

I would appreciate some help in moving them. Each site is booked for a week or two (council limitations) and the banners need to be taken down on a Monday and re-erected on Tuesday. I have a spread sheet showing all times and locations. I need 4 people to take responsibility for one banner each until the event
Please email me or call me on 0419 397 650

Another Irish Joke

Murphy a furniture dealer from Dublin, wanted to expand the line of furniture in his store, so he decided to go to Paris to see what he could find.

After arriving in Paris, he visited with some manufacturers and selected a line that he thought would sell well back home. To celebrate the new acquisition, he decided to visit a small bistro and have a glass of wine.

As he sat enjoying his wine, he noticed that the small place was quite crowded, and that the other chair at his table was the only vacant seat in the house.

Before long, a very beautiful, young Parisian girl came to his table, asked him something in French (which Murphy could not understand), so he motioned to the vacant chair and invited her to sit down.

He tried to speak to her in English, but she did not speak his language. After a couple of minutes of trying to communicate with her, he took a napkin and drew a picture of a wineglass and showed it to her.

She nodded, so he ordered a glass of wine for her.

After sitting together at the table for a while, he took another napkin, and drew a picture of a plate with food on it, and she nodded. They left the bistro and found a quiet cafe that featured a small group playing romantic music.

They ordered dinner, after which he took another napkin and drew a picture of a couple dancing. She nodded, and they got up to dance. They danced until the cafe closed and the band was packing up.

Back at their table, the young lady took a napkin and drew a picture of a four-poster bed.

To this day, Murphy has no idea how she figured out he was in the furniture business.

"THE 4-WAY TEST"

of things we think, say or do.

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

ADVANCE AUSTRALIA FAIR

Australians all let us rejoice
for we are young and free
with golden soil and wealth for toil,
our home is girt by sea.

Our land abounds in nature's gifts
of beauty rich and rare,
in history's page let every stage
Advance Australia Fair.

In joyful strains then let us sing
ADVANCE AUSTRALIA FAIR."
